

Why You'll Love This Role

- Supportive private practice environment with professional autonomy.
- Meaningful outpatient therapy work with individuals, couples, and families.
- Flexible scheduling and opportunities to grow your caseload.

Key Responsibilities

- Provide intake assessments, treatment planning, and outpatient therapy.
- Maintain an ongoing caseload with strong clinical judgment, boundaries, and continuity of care.
- Offer risk assessment, crisis support, safety planning, and referrals when needed.
- Complete timely, accurate, and confidential clinical documentation.
- Coordinate care with outside providers and referral sources when appropriate.

Required Qualifications

- Current Licensed Master's Social Worker (LMSW-C) license in good standing.
- Master's degree in Social Work from an accredited program.
- Minimum of five years of clinical social work experience.
- Experience with therapy, assessment, treatment planning, documentation, and crisis support.
- Strong communication skills and commitment to ethical, trauma-informed, inclusive care.

Preferred Qualifications

- Private practice, outpatient, or group practice experience.
- Comfort with EHR systems, telehealth, and insurance documentation.
- Training in modalities such as CBT, DBT, EMDR, motivational interviewing, trauma-focused therapy, couples therapy, or solution-focused therapy.
- Interest in developing or maintaining a clinical specialty.

Ideal Candidate

The ideal candidate is empathetic, organized, clinically confident, and comfortable working independently while contributing to a supportive practice community.

Compensation

This is a 1099 independent contractor role with a 70/30 percentage split. Clinicians receive 70% of collected session fees, paid monthly; 30% supports practice operations, administrative systems, billing support, and related expenses.

Work Setting

- Private practice outpatient therapy setting.
- In-person, hybrid, or telehealth options may be available.
- Flexible full-time or part-time scheduling may be considered.
